FALL AND WINTER - 1945

WHOLESALE LIST - CACTI AND SUCCULENTS

Our specialty is extra choice and fancy stock, grown in steam sterilized soil and kept clean under the rigid California State Certified Nursery inspection.

THIS LIST CANCELS ALL PREVIOUS LISTS and contains all the items which we can supply at this time in wholesale quantities. You will do us a favor if you do NOT order obsolete items from older lists which can no longer be supplied.

JOBBERs interested in 1000 lots, please ask for special quotations.

The following assortments are specially recommended to those who wish to leave the selection of the best material available to us. None of the following assortments will be labelled unless specially requested.

CACTUS ASSORTMENT NO. 1 - 100 plants \$3.50. Includes Cereus, Chamaecereus, Echinopsis, Eriocereus, Monvilleas and Opuntias of several varieties, in 2 $\frac{1}{4}$ " pot size, or suitable for dish gardens.

CACTUS ASSORTMENT NO. 2 - 100 plants \$5.00. Contains rare collectors items in a fine colorful selection of unusual Mexican and South American species suitable for small pots and the better dish gardens.

CACTUS ASSORTMENT NO. 3. - 100 plants \$7.50. Contains larger plants of our selection, such as offered in Assortment No. 2, but are considerably larger in size suitable for 2 $\frac{1}{2}$ " to 3" pots. This assortment is in great demand by those who have collector trade. These plants should retail at not less than 25¢ each, insuring a nice profit.

SUCCULENT ASSORTMENT NO. 4. - 100 plants \$2.50. Consists of 10 or more kinds of the more popular dish garden varieties, such as Aeonium, Bryophyllum, Crassula, Echeveria, Sedum, Sempervivum, Stapelia and others.

SUCCULENT ASSORTMENT NO. 5. - 100 plants \$4.00. Contains more choice varieties of the firm slow-growing types in a colorful assortment such as Aloes, Euphorbias, Faucarias, larger Echeverias, Gasterias, Hereroas and many others.

SUCCULENT ASSORTMENT NO. 6. - 100 plants \$5.00. Includes larger plants from the foregoing succulent assortments and others, suitable for 3" to 4" pot specimens in an unusual variety of form and color.

CACTUS AND SUCCULENTS - EXHIBITION COLLECTION - ASSORTMENT NO. 7. - 100 fine show plants in large sizes including flowering size specimens, 12" tall specimens of Cereus, Trichocereus, Euphorbias and succulents in clusters. Every purchaser so far has expressed surprise and satisfaction at the size and quality of plants sent in this collection. Plants retail at 50¢ to \$2.00 each. At least 50 different varieties in a 100 plant order. \$25.00 per 100 plants.

ASSORTMENT NO. 7-A. - Larger and finer specimens, suitable for 6" to 10" pots - \$5.00 per 10; \$50.00 per 100.

ASSORTMENT NO. 7-B. - Choice, rarer or larger collectors items - 10 all different for \$10.00.

All of these assortments will make fine show specimens for garden shows or window displays.

CACTUS DELUXE ASSORTMENT NO. 9 - 100 plants \$10.00. Made up of the more desirable "selling on sight" kinds, such as Astrophytum (Bishop's Cap), Espostoa lanata (Snow Ball Cactus), Notocactus, larger Mamillarias and other desirable species.

CACTUS AND SUCCULENTS - BOWL MAKERS ASSORTMENT NO. 10. - 100 plants \$3.00. Contains 50 cactus and 50 succulents, as offered in Assortments No. 1 and 4.

SUCCULENT ASSORTMENT NO. 11. - 100 large specimens suitable for 4" to 6" pots - \$10.00 per 100.

Due to shortage of experienced help, the above assortments will not be labelled unless specially requested with each order.

50 or more plants at the 100 rate.

Some items are quite limited in stock. We will appreciate it if you will list a few alternate selections in case some that you order have been sold out. In case of shortage, substitution of similar kinds of equal value will be made unless you instruct us otherwise.

CACTI AND SUCCULENTS AND HOW TO GROW THEM.

68 pages 4 $\frac{1}{2}$ x 5 $\frac{1}{2}$, 65 illustrations and cover in color. Retail 25¢. Foreign 30¢.

Written for the beginner who has just bought his first cactus or succulents. Explains the terms "cactus" and "Succulent" and how they are named and where they are from. The cultural directions apply to both cacti and the other succulents and drawings and photographs explain the "how and why" step by step. Among the subjects in this instructive book are: Soil Mixture. Sun and Air. Water and Rest. Pots and Potting. Bowl Planting. Window Gardens. Propagation from Cuttings, Offsets, Seeds and By Grafting. Pest Control. How to Make a Collection. How to avoid Winter Troubles. Common names of more than 200 of the best known cacti and succulents.

APPEALS: For beginners who are buying their first plants. This book will help to avoid the pitfalls and shows how easy it is to grow these plants successfully.
